FEATURED PRODUCTS

Lakebase

The first serverless Postgres database integrated with the lakehouse, built for the AI era.

Genie

Your data-aware AI partner for faster work and deeper insights.

Agent Bricks

Build AI agents that continuously improve quality and accuracy, optimized on your data.

Lakehouse

Serverless data warehousing on open lake data, with governance and AI built-in.

How innovators win with data and AI

novo nordisk

easyJet

novo nordisk

\$157M net new value attributed to optimized clinical trials

Novo Nordisk speeds drug discovery with Genie

Novo Nordisk's 1,000 researchers can now query clinical trial data in plain language with Genie, cutting weeks of analysis to seconds and projecting \$157M+ in net new value from optimized trials.
